\*The **large backpack** needs to hold an 9 x 12 folder and be clearly labeled with the child's name as many look the same (inside and outside) **Our lockers are not large enough for backpacks with wheels.**

\*TENNIS SHOES (for physical education class and inside the building) must be labeled with the child's name as many look the same (inside BOTH shoes please) **NO BLACK SOLES PLEASE.** **They leave marks on the gym floor!**

\*Locker decorations/mirrors/shelves are not permitted due to space constraints, sharing with a locker partner. Students can look forward to that at the Middle School where lockers are larger.

\*Please refrain from sending in items not on the suggested list, as they make desk organization difficult and can create a **distraction from learning.** **Enjoy specialty items at home!**
